## **ANNUAL GENERAL MEETING**

**Monday 24 APRIL 2023 at ALTON MALTINGS**

Drinks will be served at 7.30 pm before business starts at 7.45 pm.  
Please attend if you possibly can as there will be a lot to discuss.

### **WINE TASTING**

This year we shall be celebrating the Silver Anniversary of our twinning with Montecchio Maggiore when we hope to welcome a group of friends from Montecchio to Alton.

In the meantime, our post-pandemic domestic activities continue and on Friday, 4 November, we held a wine tasting at Alton Maltings. This year, feeling somewhat nostalgic for Montecchio and Pertuis, Andrew Sorrell and Peter Mitic chose a selection

of wines from both areas for everyone to sample. The wines selected were both red and white, finishing with the most expensive: a rosé Chateau de Sannes Cotes du Luberon (£13.58 at the time of purchase).

The wines were accompanied by a buffet that included French cheeses and Italian cured meats, olives and antipasti. Carriages, or more accurately taxis and walking boots, were at 10pm.

## NEW YEAR LUNCH

After a lot of research to find a suitable venue, taking into account location, choice of menu, price and expected level of service, our New Year Lunch this year took place at the Hen & Chicken on Sunday, 8 January 2023. Here are some photos of the occasion.
